

2024 CHANGE Grant Awardees

Recipient Organization	Approach Description	Grant Amount
AIDS Resource Alliance, Inc. <i>(Williamsport, PA)</i>	<i>AR Health: Achieving Health Equity for Medically Underserved Populations</i> aims to reduce health disparities and improve health outcomes by providing high-quality primary care services in a welcoming environment to individuals living with HIV and members of the LGBTQ+ community residing in the rural region of northcentral Pennsylvania, with the ultimate goal of building a healthier and more equitable community.	\$249,997
Community Volunteers in Medicine <i>(West Chester, PA)</i>	<i>CVIM Expanding Access to Care Initiative</i> aims to further mitigate barriers to care for low-income, uninsured community members by expanding hours, locations and transportation services and to address specific unmet healthcare needs by increasing staff, community partnerships and volunteer recruitment.	\$250,000
Health Care for the Homeless <i>(Baltimore, MD)</i>	<i>Comprehensive Care for Uninsured Baltimoreans Experiencing Homelessness</i> aims to provide consistently excellent care for people experiencing homelessness in Baltimore when and how they want it, including improvements in preventative care, chronic disease management and care coordination and reducing disparities in health outcomes for the individuals and families Health Care for the Homeless serves.	\$250,000
LCH Health and Community Services <i>(Kennett Square, PA)</i>	<i>LCH Access to Care for Southern Chester County</i> aims to improve the health of the community by providing high-quality physical and mental healthcare integrated with supportive services, such as social services, legal services and education, to address numerous social determinants of health.	\$250,000
Mary's Center <i>(Washington, D.C.)</i>	<i>Providing Breast Care Services to Uninsured Participants</i> aims to increase breast cancer screenings and provide care coordination to all participants with a cancer diagnosis. Through community partnerships with local hospitals, radiology and oncology providers, and culturally competent services, Mary's Center provides high-quality services for uninsured and under-resourced participants in Washington, DC, and Maryland.	\$211,855
SOME, Inc. <i>(Washington, D.C.)</i>	<i>Breaking Barriers, Boosting Care: SOME & the AstraZeneca Foundation's Whole Person Approach to Healthcare</i> aims to empower and catalyze transformative change in the lives of medically fragile individuals experiencing homelessness and poverty in DC by providing equitable access to whole-person, comprehensive healthcare that proactively addresses each person's unique challenges and needs, ensuring they receive the highest standard of care so they can reclaim their health with dignity.	\$250,000
2024 CHANGE Grant Award Total		\$1,461,852
